I'm a MEAN and MERN stack developer. My skill set also includes Java full stack.

I'm an active contributor on Stack Overflow with 2K+ reputation and 4 gold badges:
stackoverflow.com/users/11163977/tanzeel

I love sharing ideas on my YouTube channel **(Code Blooded)** with 53 Subscribers and 34 videos on JavaFX, ReactJs, Angular, Sonar and CI/CD. (still growing)
